TIME TO **AWAKEN**

Awaken the desire to travel | Awaken the drive to discover | Awaken your self-definition

reddot winner 2024

T1 has pioneered the urban light off-road SUV segment, seamlessly blending the originally contrasting boxy aesthetic with traditional SUV designs, and its design has won the prestigious German Red Dot Award.

New Rugged Aesthetic

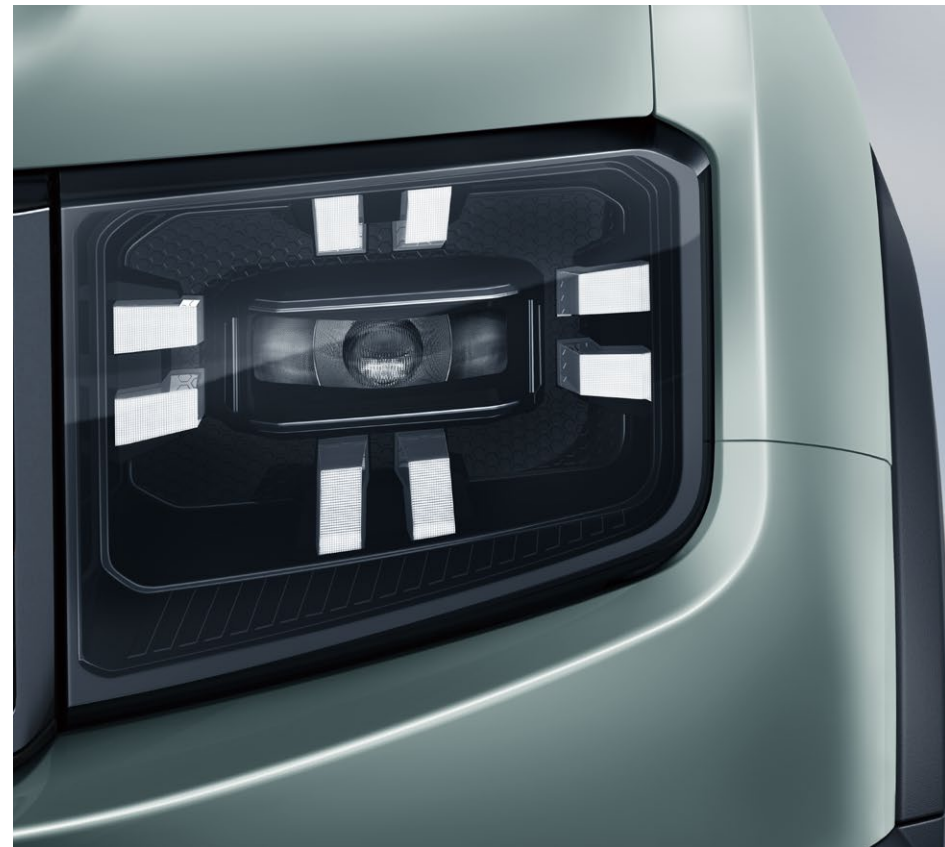

Embracing a new rugged aesthetic as its design philosophy, the T1 deconstructs the sharp angles of a boxy SUV and the smooth contours of traditional SUVs, achieving a perfect fusion of both styles.

XWD Intelligent Four-Wheel Drive

The sixth-generation BorgWarner torque management system ensures peace of mind while driving. It automatically switches between four-wheel drive modes and intelligently distributes power for optimal traction. Additionally, the rear wheel torque is automatically allocated, allowing for seamless recovery without the need to stop and switch modes.

7 Driving Modes

These modes are designed to accommodate a wide range of terrains, allowing for effortless switching to effectively tackle diverse driving conditions.

Safe Body Structure

T1 features a steel cage body structure with integrated laser welding, utilizing over 85% high-strength steel to effectively distribute impact forces across the vehicle.

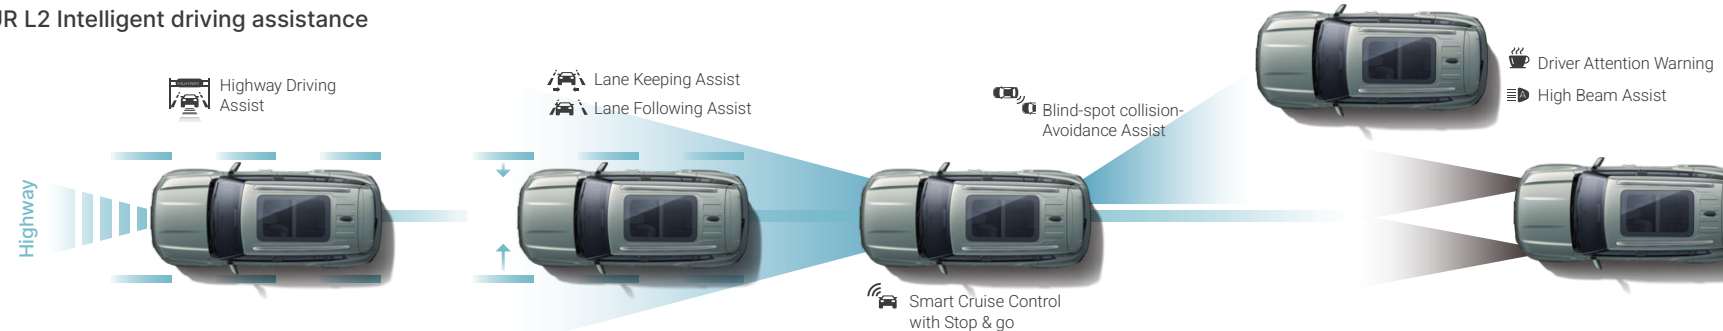

High Off-Road Capability

T1 features an approach angle of 28°, a departure angle of 28°, a minimum ground clearance of 190mm, and a wading depth of 600mm
