T1 i-DM

JETOUR
— Drive Your Future —

AWAKEN YOUR PASSION

Awaken the desire to travel | Awaken the drive to discover | Awaken your self-definition

reddot winner 2024

T1 i-DM has pioneered the urban light off-road SUV segment, seamlessly blending the originally contrasting boxy aesthetic with traditional SUV designs, and its design has won the prestigious German Red Dot Award.

New Rugged Aesthetic

Under contemporary aesthetic concepts, this design combines the ruggedness of boxy forms with the elegance of traditional SUVs, harmonizing sharp angles with flowing rhythms. It unifies opposites to create a unique new rugged aesthetic.

operates in pure electric drive mode
for 90% of driving conditions.

1DHT e-CVT Hybrid Dedicated Transmission

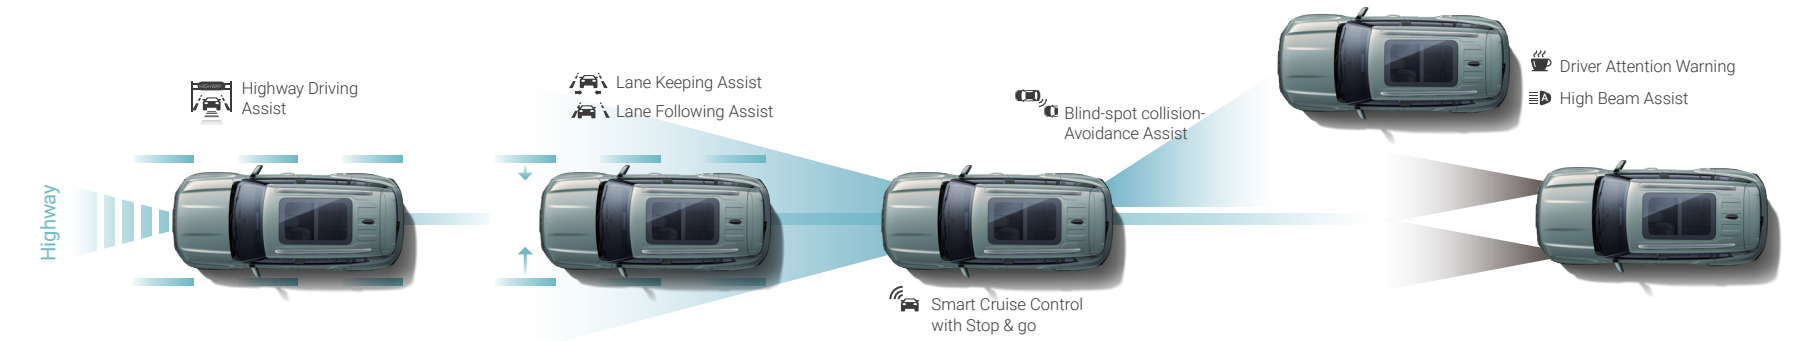

Safe Body Structure

T1 i-DM features a steel cage body structure with integrated laser welding, utilizing over 85% high-strength steel to effectively distribute impact forces across the vehicle.

High Off-Road Capability

The vehicle features an approach angle of 28°, a departure angle of 28°, a minimum ground clearance of 190mm, and a wading depth of 600mm

Free Your Mind in High-Tech Comfort

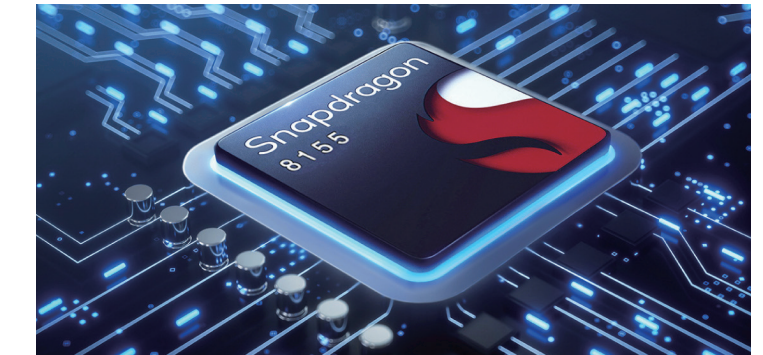

Tech Cabin for Intelligent Comfort

TOUR OS 2.0 System

Enhanced technology brings intelligent living within reach and elevates your experience. The 15.6-inch central touchscreen, powered by the 8155 chip, operates smoothly like a tablet, and its user-friendly interface ensures seamless interaction. The 10.25-inch digital instrument panel enhances the cabin's tech-savvy feel while making driving more convenient. Important information is highlighted for easy visibility, allowing drivers to stay informed safely.
